

Contagious Blood Poison, as the name implies, is an infectious blood taint which may be communicated from one person to another. Its virus is of a most insidious nature, multiplying from an insignificant germ in the blood until it becomes a thorough systemic poison. So powerful and dangerous is this terrible blood plague that no time should be lost in trying to drive it from the system. It should not be temporized with, but should be killed as one would a deadly serpent on the pathway. The first manifestation of Contagious Blood Poison is usually a tiny sore or pimple, but it rapidly spreads, and in a short time the entire body shows its presence in the blood. The mouth and throat ulcerate, glands in the groin swell, the hair begins to come out, copper-colored spots appear on the body, and frequently running sores and ulcers break out on the flesh.

A condition of such serious nature requires proper treatment. Not only must the disease be driven out, but the system which has been weakened by the powerful poison must be built up, before health can be restored. The question of most importance therefore is—what medicine has proven by actual results its superiority as a blood purifier? We claim this distinction for S. S. S. because of its successful record for more than forty years.

S. S. S. cures Contagious Blood Poison by purifying the blood. It goes into the circulation and removes the last trace of the infectious virus, acts with fine tonic effect on the stomach, bowels, kidneys, and other portions of the system, and thus makes a perfect as well as a permanent cure. S. S. S. is made entirely of roots, herbs and barks, each of which has a specific action on the system. Not a particle of mineral or other harmful substance enters into its composition. S. S. S. is perfectly safe for any one, and instead of upsetting the stomach, as mineral medicines often do, it tones up this important member, and makes digestion easy. Thousands have cured themselves of Contagious Blood Poison by the use of S. S. S., and if you will write and request it we will send you, without charge, our Home Treatment Book which will give you all necessary information for crushing out the life of this serpent-like poison and curing yourself at home. We will also give you free any medical advice you may wish. S. S. S. is sold at drug stores. THE SWIFT SPECIFIC CO., ATLANTA, GA.

### THORNTON HARDIE CLUB TREASURER

#### El Paso Selected to Handle Funds of University Press Club

Austin, Tex., Nov. 8.—The Press club, of the University of Texas, has chosen the following officers: President, Richard Fleming, of Temple, editor-in-chief; elect of "Acta," vice president, Marion J. Levy, editor-in-chief of "Texas," secretary, K. K. Bettis, of Clifton, correspondent for Houston Chronicle; treasurer, Thornton Hardie, correspondent El Paso Herald; and members of executive committee, Prof. F. T. Lomax, of the department of extension; Tom S. Henderson, of Cameron; and Walter A. Desley, of Dallas. The next meeting of the club is to be held at the home of Dr. Sidney E. Mezes, president of the university.

The boy's appetite is often the source of amazement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.

**DUCKS ARE PLENTY IN THE SAFFORD SECTION.**  
Safford, Ariz., Nov. 8.—Ducks are thick on the river now, and the local hunters are decreasing their butcher bills, while the hardware merchants do a brisk business in ammunition.

### ALAMOGORDO TRAIN MEN ARE VERY GOOD

Alamogordo, N. M., Nov. 8.—The El Paso & Southern Railway discipline bulletin for trainmen and engineers, has been issued from the office of superintendent Morris, of the eastern division. There must have been smooth sailing, to judge from the total of demerit marks charged, which are as follows: Conductors, 20; brakemen, 40; firemen, 25; agents, 10; switchmen, 10. The total on credit marks are as follows: Conductors, 10; engineers, 20; brakemen, 20; firemen, 10. One fireman was discharged for not complying with bulletin instructions with reference to leaving of absence; one switchman was discharged for using profane language while switching, turning a private car; one conductor for irregularities in accounting.

The members of the local lodge of Woodmen of the World will hold a jubilee at their quarters tonight. A program of exercises will be rendered and refreshments will be served. The Beavers have issued invitations to their opening ball which will be held at their club quarters on Michigan avenue Friday night.

Mrs. G. G. Talbot has left for her home at Cunningham, Kansas, after a visit here to look after her property interests.

J. Weston Parker was here from El Paso to vote. A series of revival services will be commenced at the Christian church on Friday. The services will be continued two weeks and possibly longer.

### CLUB IS HOST TO TWO MISSIONARIES

Monthly Supper at St. Clement's Is Followed by Addresses

The Men's club of St. Clement's Episcopal church entertained Tuesday evening at the parish house in honor of John Wilson Wood, of New York, general secretary of the board of missions of the Episcopal church and William R. Sterling, of Chicago, a member of the board of missions of the church. The entertainment was presided by the regular monthly supper of the club, after which a program was rendered and the visiting guests spoke. David McKnight, president of St. Clement's club, presided at the meeting and acted as toastmaster. Godfrey Brookhurst opened the program with a solo from "Robin Hood." Mr. Sterling was then introduced and gave a talk on the work of the mission of the Episcopal church and told of how the missions were conducted in the different parts of the country, and the means of the support for the missions. Walter Davis sang a "coon" song and Mr. Wood spoke also on the work of the missions throughout the different countries. There were about 100 members and guests at the meeting and supper and during the evening elections returns which had been supplied by The El Paso Herald were read.

### GREENLEE SUPERVISORS IN SESSION AT CLIFTON

Clifton, Ariz., Nov. 8.—The board of supervisors of Greenlee is in session and the regular routine of business is being transacted. Ben M. Crawford, W. R. Kelly and L. F. Vaughn are in Phoenix as delegates to the territorial Democratic central committee. Mr. and Mrs. W. L. Aubrey, of Duncan, are spending part of the week with friends in Clifton. Dr. R. Stevens, of Duncan, is spending the week in Clifton on business. George Barker, the Metallist, is a Clifton visitor.

R. Campbell, justice of the peace at Metcalf, is in the county seat on business before the board of supervisors. Dr. T. A. Balmer has left for Phoenix to attend the Territorial Dental association and game commission. E. Anderson, in the First National bank, is in Phoenix as a delegate to the grand lodge Knights of Pythias.

W. C. Crawford, of Morenci, is in Phoenix as a delegate to the grand lodge Knights of Pythias. Mr. Pickin Anderson spent a day in Duncan with his sister, Mrs. R. L. Lanneau.

C. R. Nonemaker, store manager for the Arizona Copper company at Morenci, was a Clifton visitor.

Ben Fehrman, of Morenci, visited Clifton friends.

Paul M. Porter and Howard Mix are in Phoenix where they are in attendance at the meeting of the Republican state central committee.

R. E. Kelly has left for Phoenix to take in the territorial fair.

B. Cortina, of Morenci, was a Clifton visitor.

Frank Hodges, one of the prominent cattlemen of the Blue country, is spending the week in Clifton.

Gerry Crawford, deputy sheriff of Morenci, was a county seat visitor.

Richard Rain has left for Tucson, where he will spend a week or more on business.

Frank Sloan, night watchman on Shannon Hill, has returned from a trip on the Blue and reports game in abundance in that section.

Mrs. Max Pierce left for Phoenix, where she will spend several weeks on a visit to her parents.

Warm winter underwear that feels comfortable and don't scratch. Bryan Bros.

**BROWN BORROWS BIG SUM FOR THE NATIONAL LINES**  
Mexico City, Nov. 8.—E. H. Brown, president of the National railways of Mexico, has negotiated a loan in New York for \$10,000,000 for one year dating from November 15, according to a statement issued at the headquarters of the company.

### Why Wet Shampoos Are Injurious to Hair

[Guide to Beauty.]  
"Avoid wet shampoos, if you would have soft, lustrous hair and plenty of it. More or less free alkali in shampoo mixtures robs the scalp of its necessary oil, and this, in a measure, causes hair to grow dull, brittle and unmanageable. A dry shampoo is rapidly gaining favor because of its cleansing and invigorating effect on both hair and scalp. It cleanses the scalp of oil, dirt or corn meal and 4 ounces of ether are mixed together and a tablespoonful sprinkled over the scalp, then brushed well through and out of the hair, all traces of dust and dandruff will be removed, and the hair will take on a silken sheen and richness of color impossible by any other method."—Adv.

### MINING NEWS

#### CLAIMS FILED BY SONORA MINERS

(Continued from preceding page)

name La Providencia, 5 kilometers north of Hermosillo, silver and lead. R. R. Goldbaum, of Nogales, Ariz., 48 per cent. under name Queen Monserrate, adjoins Gold Tree, Lauris, Magdalena, gold and silver; also 7 fractional parts. Mr. R. R. Goldbaum, same location and minerals. M. F. Diaz, 10 per cent. under name Mina del Porvenir, on Proton ranch, Imuris, Magdalena, gold and silver. Juan Sardo of Canada, 10 per cent. under name Esperanza, in Manzanal mountains, Cananea, Arizpe, silver and copper. N. Forchert, of Yuma, Ariz., 25 per cent. under name Proctora, Bactan, Saluapipa, silver; also 7 fractional parts. Under name Clara, especially designated, also 15 per cent. under name Proctora No. 2, and 15 per cent. under name Clara, Arizpe, gold, silver and copper.

#### CLARK MAY SECURE THE CLARA MINES

During the last week it has been reported that the Clara Consolidated mines and smelter, Yuma, Arizona, are to be taken over by the Consolidated Arizona Smelter company. A. Clark is the chief owner of the Humboldt smelter. Ex-senator Clark was in Jerome last week inspecting his copper properties. It is known that a number of prominent officials of the Clara left Swansea, Arizona, last week. Clark is also known that the Humboldt smelter people have been making exhaustive examinations of the Clara mines for the past three months. The Clara Consolidated mines and smelter are especially desired for fluting purposes.

#### MEXICAN MINE TAXES ARE DUE

Taxes on Mining property in Mexico will be due November 1, being collected by the Mexican government. If allowed to run over until the following month, a fine of 50 percent is imposed, and if not paid until the second month, the property is forfeited. The property becomes forfeited and is open to relocation. Negligence in this respect, especially on the part of prospect holders, is often the cause of serious trouble, and at times the loss of the property.

#### TO RESUME WORK IN COPPEROSITY MINE

The Copperosity mine, 28 miles south of Casa Grande, Pima county, Arizona, has started work. Operations will commence at once. The ore body is claimed to be fairly good. A contract has been let for a 200 foot shaft. A 50 ton smelter in the Florence district, formerly in operation in the same camp, is to be started again by the new company, which is to take over the Lake Shore and Silver Reef mines. The operators will take the name of the Silver Reef Mining and Smelting company.

#### THE WORTH OF A MINING PROSPECT

Fairview, N. M., Nov. 8.—It is impossible to make an estimate of the actual worth of a prospect, as the price asked for it is entirely speculative. Usually the owner has nothing tangible in a net or actual value, and if he is asked to permit the certain development of the property, he will refuse for fear of a complete rejection of the property, not considering the buyer must base his conclusion on its structural geology, the possible existence of only a superficial enrichment, character of vein matter, value of the mineral product, the valuable constituents of the vein, presence or absence of detrimental elements in the ore, and the possible decrease or increase in their quantity, cost of mining, reduction, and marketing, the available water supply, kind and cost of power, fuel, and supplies delivered on the property, cost of freight in the immediate district, transportation of the product to railroad, and the fluctuation in its market value.

The usual man, when he has a mining property for sale, becomes over-enthusiastic as to its value. He gives the highest gross values of the ore, assuming that all future and probable ore that may be developed will be of the same worth. He compares his prospect with the great dividend paying mines of the world, without considering that only one prospect in every 200 becomes a mine, and the probability of its being necessary for the purchaser to install expensive machinery for the purpose of extraction, and that breaks will occur in the ore bodies to raise the cost of mining, reduction and marketing. The result is his refusal to lease on any terms that are reasonable, and holding it for sale at a price which may be 100 times its value. He is giving the claim himself and gives others employment, he is gaining nothing, and in preventing capital from making investments that would give employment to hundreds of men and revive a dead mining camp into a community of business and prosperity.

R. A. Booster.

#### CLIFTON MINING MEN INCORPORATE NEW COMPANY

Clifton, Ariz., Nov. 8.—At Clifton this week were filed with the county recorder articles of incorporation of the Eagle Gold and Copper company. The company is organized for the purpose of carrying on a general mining and milling business. The board of directors of the company are E. C. Barker, William McCoy, J. P. McEae, J. H. Kerby and John R. Hampton. The company is capitalized at \$1,000,000, divided into 1,000,000 shares with a par value of \$1 each.

### MINING NEWS

#### NACOSART COMPANY PLANS NEW WORK

Secures \$10,000 With Which to Continue Development of Mine

J. G. Alexander, president and general manager of the Nacosart Consolidated Copper company, is in El Paso today, accompanied by R. H. Humphrey, of New York. Mr. Humphrey just returned from a visit to the property. Mr. Alexander states that they are well pleased with the showing made so far, so that Mr. Humphrey invested \$10,000 in the stock of the company, which it is thought will be sufficient to complete the tunnel to a length of 2500 feet. The present length of the tunnel is 740 feet. The compressor plant recently erected is doing excellent work, making much more rapid work than by hand drilling. They have entered the ore zone, and from now on expects to have no air shaft.

The Tharsis-York company, whose property adjoins the Nacosart Consolidated, has let a contract to diamond drill its ground, starting on the 179 foot level. While this is being done, the company will drift east under the hill 240 feet from the level, and then descend from wall to wall at the end of the drift, the vein being about 600 feet in width. The Buena mine, six miles south of the Pinar Phelps-Dodge property, is shipping ore regularly to the smelter. There were shipped four tons of gold and silver ore last Thursday from the buena mine belonging to the Moccasin company, under lease to Mr. Fryer, which netted over 7000 pesos. Mr. Kirk, a cousin of Jim Kirk, of Cananea, is leasing the old San Pedro mine near Nacosart, and is taking out rich silver ore. Mr. Alexander also stated that the strike reported at the Pinar mine recently was without foundation. It was simply a misunderstanding that a shift boss at the concentrator was quickly adjusting a camera or trouble whatever. Matters there are running as smoothly as ever, everybody working and contented.

#### AMARILLO WOODMEN DEDICATE NEW HALL

Amarillo, Tex., Nov. 8.—Alamosa camp No. 32, W. O. W., has dedicated its \$14,000 hall, one of the most attractive and spacious in the state. The building is of pressed brick with the emblem of the order in the center of the top front wall, and measures 90x100 feet. There are banquet conference and robing rooms, in connection with the latest touches of modern appliances and equipment. The opening to the public began at 7:30 and closed at 11:00 p. m. In charge of Dr. Gustav Meyer, of the musical department of the Lowrey-Phillips schools, and consisted in instrumental, vocal, musical and readings. This program continued from 7:30 to 9:30 o'clock, and was divided into four sections, with inspection of the building and refreshments interspersed. The evening program for Woodmen, their wives and specially invited guests began at 7 o'clock with music by the band.

Regulate the bowels when they fail to move properly. HERBINE is an admirable bowel regulator. It helps the liver and stomach and restores a fine action of the bowels, and buoyancy. Price 50 cents. Sold by Scott White & Co., 294 Mills, and Depot Pharmacy.

#### ALLEGED ACQUAINTANCE OF WHITTON PITT UNDER ARREST

Monday afternoon policeman LEAVY of the San Antonio street beat, arrested a man giving the name of Ed Dupre. It is said that Dupre was an acquaintance of Albert Whitton, who was one of the men bound over to await the action of the federal grand jury in the alleged stamp robbery case. He is being held at the police station until an investigation can be made of the entire stamp matter.

#### MANY LIVES SAVED

And Scores of Them Reside Right in El Paso.  
Kidney illness develops quickly. Only a little backache at first. Neglect the ache, other troubles follow—Urinary disorders, Bright's disease, Doan's Kidney Pills save many lives. Cure kidney ills before too late. 21 Pass people endorse them. Mrs. Blanche Cleaver, 1228 E. Overland St., El Paso, Texas, says: "For eight years I was subject to attacks of kidney trouble. If I took cold it invariably settled in my kidneys and caused a dull ache in my back and right hip. There was also soreness across my loins and I had chills. The kidney secretions were scanty and distressing in passage and caused me much annoyance. About a year ago my complaint became worse. Doan's Kidney Pills were finally recommended to me, and procuring a box at Kelly & Pollary's Drug Store, I began their use. They strengthened my kidneys, proving of benefit in every way." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### Dr. Lyon's PERFECT Tooth Powder

neutralizes the destructive acids of the mouth—cleanses, preserves and beautifies the teeth, and imparts purity and fragrance to the breath.

### This Is It

Millions of Catarrh Victims Have Used it With Wonderful Results.

Notice this picture: it shows the little hard rubber HYOMEI inhaler, the exact size. If you own one you can get a bottle of HYOMEI (liquid) for only 50 cents. If you do not own one, \$1.00 will buy you a complete outfit, which includes inhaler. And now you have in your possession a remedy that has banished more cases of catarrh than all the catarrh specialists on earth. Just breathe HYOMEI—that's all you have to do—no stomach dosing—it passes over the inflamed membrane, kills the germs and heals the inflammation. It is guaranteed to end catarrh, asthma, coughs and colds, or money back. Sold by Kelly & Pollard and druggists everywhere.

### "PEOPLE ASK ME WHAT I DO"

Mrs. Warwick Does Her Work and Takes Care of Her Three Little Children Without Difficulty.

Kokomo, Ind.—"I had been sick for twelve weeks," says Mrs. Mauida Warwick, of this place, "when I commenced to use Cardui. I was almost dead. I could not sit up, and nobody thought I would get well. I had three of the best doctors in Kokomo, but they did not help me a bit. I was getting worse all the time, when a lady friend of mine told me to try Cardui. My husband got me a bottle of Cardui, and a few doses relieved my trouble. If it had not been for Cardui, I believe I would have been dead. Now I am feeling well and strong. I can do my house work and take care of three little children. People ask me what I do to have such good health, and I tell them I use Cardui. One of my friends is using it now, and is getting along fine. I will never be without Cardui in my house." Cardui is a vegetable extract, composed of valuable medicinal ingredients, which build up vitality and strengthen the womanly constitution. During the past 50 years, Cardui has helped thousands of weak women to health and strength. If you suffer from any symptoms of womanly trouble, try Cardui. It will surely help you.
